

PUESTO VIEJO

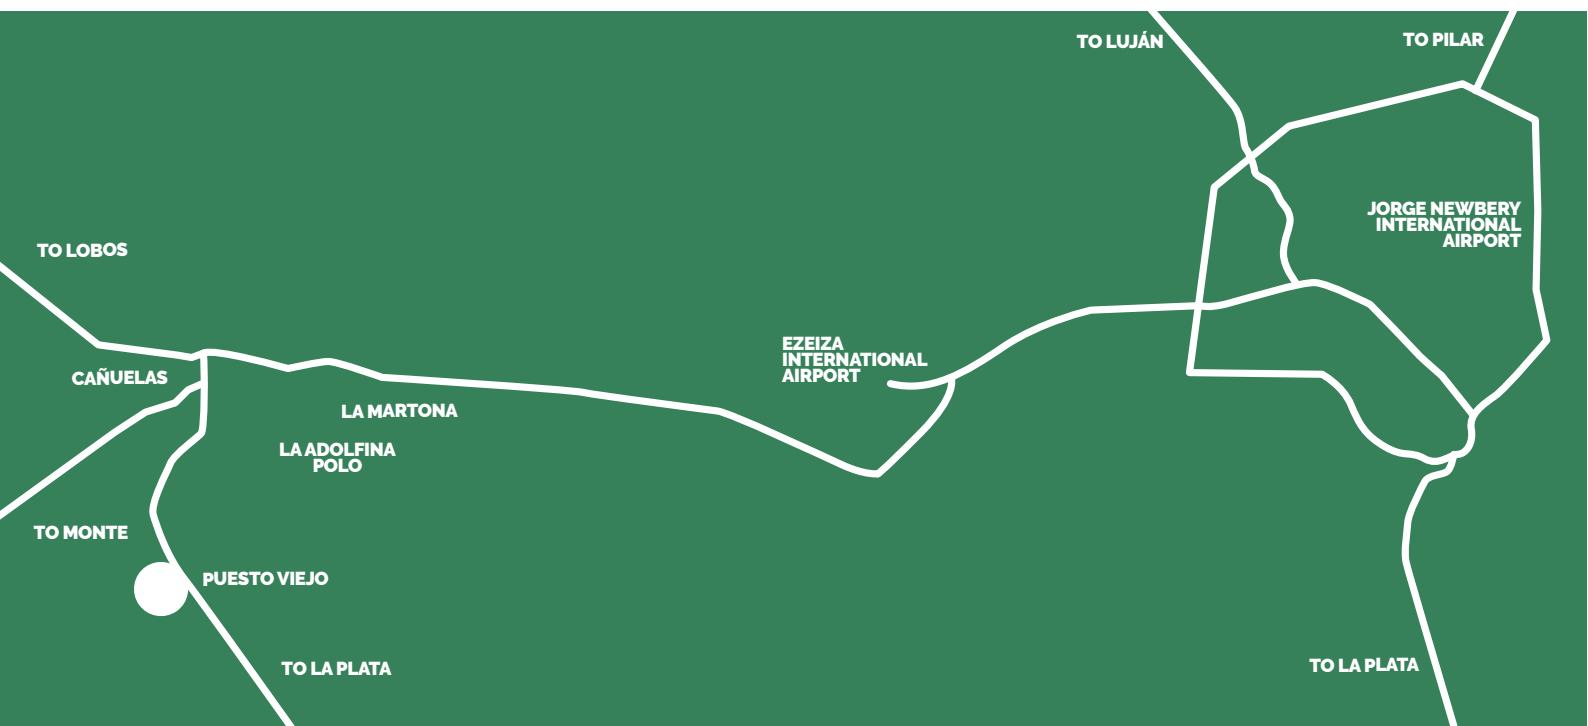

POLO HOUSES

How do you want to live?

A development of **16 independent units across 4.3 hectares** within the natural and equestrian setting of Puesto Viejo Polo Club & Estate. Situated 60 minutes from Buenos Aires and 30 minutes from Ezeiza International Airport. The project invites you to embrace outdoor living, in direct connection with the landscape — blending the essence of Puesto Viejo with the contemporary vision of Grün. **The result: quality, nature, calm and comfort in balance.** Each unit offers 113 m² of enclosed space and 69 m² of semi-covered area, on plots from 800 m², arranged around a central park with green areas. Interiors prioritise natural light, functionality and integration with the surroundings. **The development features 24-hour security, a CCTV system, consolidated infrastructure and fibre optic connectivity.** A sound choice for those seeking a natural, authentic, accessible and well-connected setting — **whether to live in or invest.**

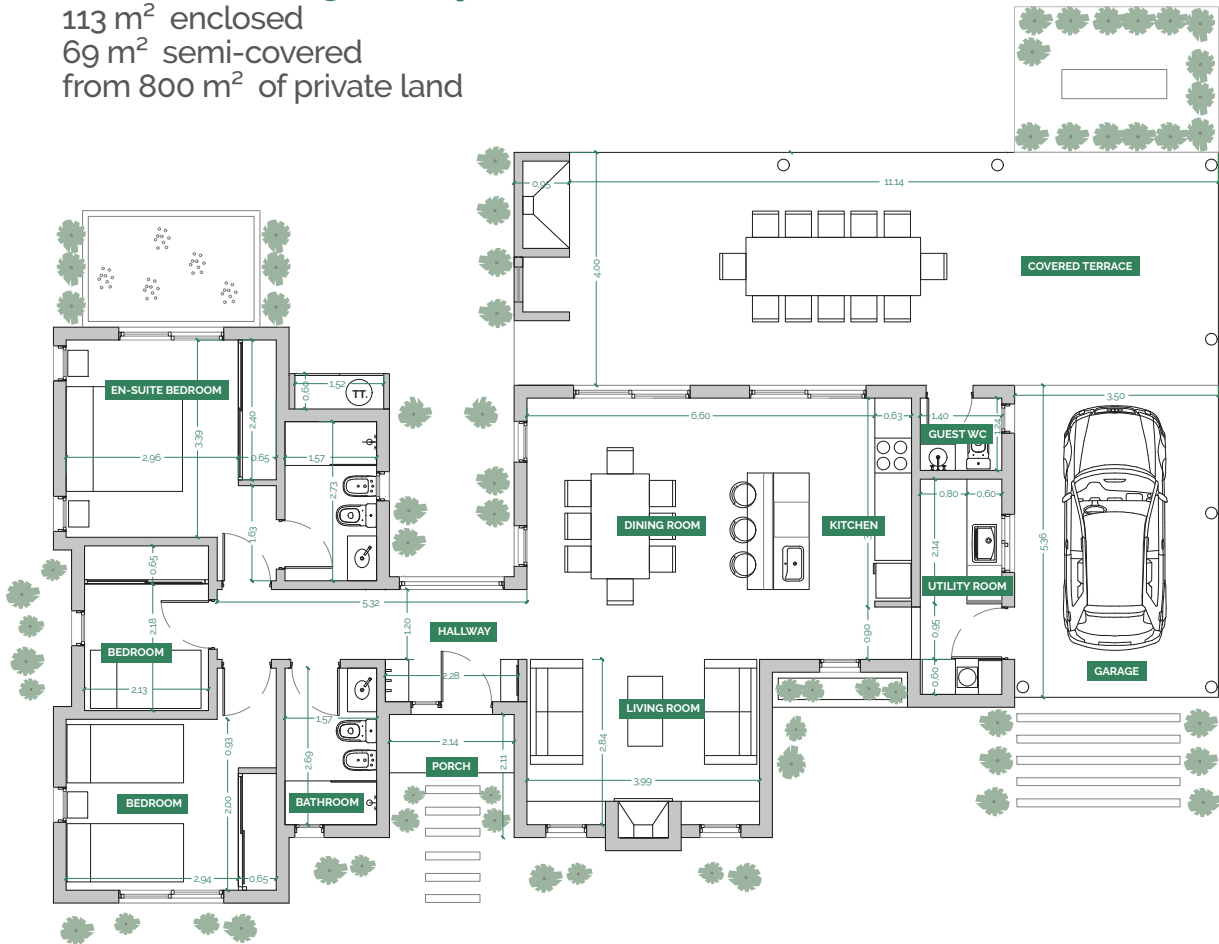

LOCATION: Provincial Route 6, Km. 82. Cañuelas, Buenos Aires.
